Re: Colbert landfill

Dear Mr. Thompson:

Confirming our telephone conversation earlier today, Jonathan Feil and I will meet with you and Ms. Mackey on Monday, August 27, at 2:00 p.m., at your office. As I told you on the phone, we represent several insurance carriers currently involved in litigation with Key Tronic concerning coverage for liabilities arising from the Colbert pollution. We want to explore the information you have that is relevant to this case, and possibly schedule your deposition for the near future.

Very truly yours,

V. Gay Gerl
